Quality is our identity. We never compromise on quality and execute our operations with utmost sincerity and responsibility.

Our Services

From construction to interior designing, we have been executing projects across India for over 3 decades.

We provide a **complete solution** to our clients. Our core activities include Construction, Architecture, Interior Design, Landscape, Furniture, Turnkey Projects, EPC Projects, Electrical Work, Restoration & Renovation.

Construction

We have been providing construction services to our clients and have built magnificent residential spaces as well as commercial projects. Ms Interior Works is well-equipped with the latest machinery and tools required to carry out construction operations. Our strong expertise in construction dynamic spaces has garnered us a strong client base.

Architecture

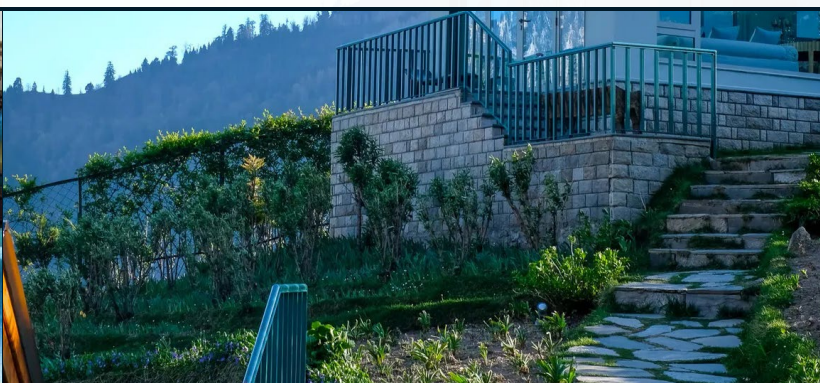

We specialise in creating exclusive architecture making complete utilisation of the space in the best possible way. We have built beautiful spaces for top political dignitaries, royal families, premium brand owners etc. Our team of highly qualified architects drafts the designs in a well-structured manner resulting in delivering projects with precision.

Interior Design

As a well-established interior design company in the industry, we have delivered exquisite living spaces, bedrooms, kitchens and much more. Our designers are well qualified and experts in their field. We use the latest technology to design the best as per the needs and requirements of our clients. We are known to convert dreams into reality and focus on building everything we can think of.

Landscape

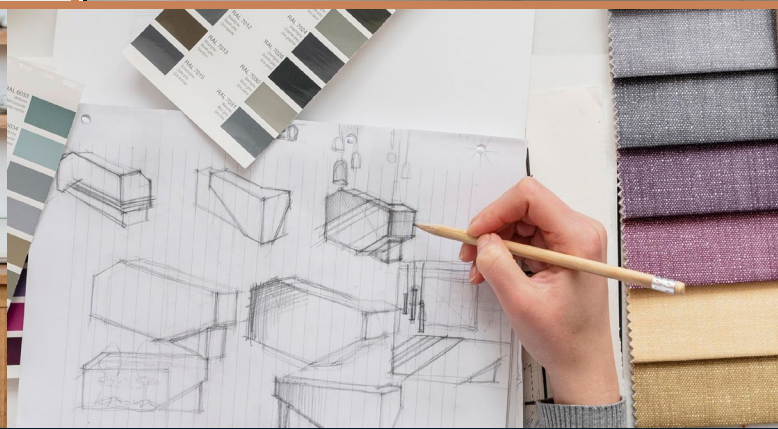

A vital part of our services includes Landscaping services. We have crafted beautiful lawns, gardens, terrace farms, resorts etc. for our clients. Ms Interior Works has built trusted associations in the industry because of our ethical approach and conduct. Our team specialises in creating lavish, awe-inspiring and picturesque landscapes keeping in mind the latest trends.

Our Services

Ms Interior Works create a collaborative and safe working environment for the employees.

With an eye towards **meeting international quality standards**, we have deployed trained manpower along with the **latest cutting-edge machinery and equipment**.

Furniture

From classic furniture to modern style furniture, Ms Interior Works is proficient to deliver it all. Utilising varied forms of colours, fabrics, accents etc, we match your style and ethos. We provide furniture for household as well as commercial spaces with an attention to detail. We bring your imagination to life and furnish your living spaces with elegance and style.

Turnkey & EPC Projects

We have executed multiple big and small EPC and turnkey projects. From planning, and procurement to delivering the final space, our team executes the projects with proper communication and approvals. We prioritise our clients preferences and blend the choices with our expertise, giving a clean, unique and spectacular space.

Electrical Work

Along with designing and construction activities, we also specialise in providing electrical services. We have our in-house team of highly qualified electricians who have been consistently working towards providing the best and hassle-free services to clients.

Restoration & Renovation

We are the experts in transforming your space from a dull ambience to a lively space. Our restoration and renovation services include a complete transformation of your space using new and advanced technology focusing on quality output.
